WONDERFUL PLANS FOR THE EVENING

Welcome to Blunt

Welcome to Blunt's 125th birthday party!

Named after the chief engineer of the Chicago and Northwestern railroad, John Blunt, the city was settled in 1884.

Many varied activities have been planned for this historic weekend. We hope that you enjoy every moment of the quasiquintennial.

Please share your photos and highlights of the celebration with us at www.blunt125.com soon after the weekend is over.
